

## Schedule for Scout Year 2021/2022

ALL scouts (razvedchiki, razvedchitsi, belochki and volchata) should strive to attend as many sbori and scouting events as possible, be they in person or virtually over 'Zoom'. In light of the challenges we are all experiencing with the ongoing COVID-19 pandemic, and the different levels of comfort that each scout family might have regarding attending events in person, **for the upcoming scout year Putivl nachalstvo has set a 75% attendance goal for all virtual-only sbori that are held this year.**

Scout participation and attendance make a huge difference in the quality of the year's program, as well as the success of our camp in the summer. However, we understand that sometimes schedules will not allow attendance at all of our events. **If a scout is unable to attend an event, it is imperative that they communicate with their vozak (for Razvedchiki and Razvedchitsi), or the nachalnik of their Staya (belochki and volchata).** We want to reinforce personal responsibility, and that all scouts should be accountable for themselves as well as to their zveno/otryad/staya.

**Please note:** there are a few times throughout the year where your help is needed for fundraisers, church bazaar, kolyadki, and church and cemetery clean-up. Please remember to be a true scout and be first in line to attend these events; and encourage others to do so as well.
